Attention: Dr. Hasim

Dear Dr. Hasim:

1994
Enclosed you will find the program for the Second International Symposium on Hormonal Carcinogenesis that will be held on Stockholm, Sweden on July 4th-7th, 1993. The title of the talks and the speakers that have accepted to participate have been **bolded**. We have send letters of intent to the rest of the speakers and hope to complete the program soon.

Dr. L.I. Sekely from NIH, Jonathan and myself will be leaving to Sweden on July 4th to visit the site and converse with Dr. J.A. Gustafsson and his staff at the Karolinska Institute, site of the Symposium, to work out the final details of the program.

Thank you very much for your interest. Please do not hesitate to contact us if you have any further questions.

Sincerely yours,

Sara Antonia Li
